

## Grade 10 Course Selection Instructions

### St. Joseph High School

Please use the following instructions to complete your course requests for Grade 10. All grade 9 registration documents are posted on the St. Joseph website under the "Students / Grade 10 Registration Documents" tab. A very helpful video tutorial is also available on St. Joseph's school website under the "Students / Grade 10 Registration Video Link" tab. This video tutorial will walk you through how to complete these instructions, and can be accessed by using the following link: <http://bit.ly/Grade9RegistrationSJHS>

#### **INSTRUCTIONS:**

**STEP 1:** Make sure you have the following documents:

- Grade 10 Student Information Sheet / Exploratory Option Selection Sheet 2020-2021
- Dual Credit / St. Gabriel Online School Information Sheet
- Grade 10 Course Selection Planning Sheet

*Additional copies of these documents are available on the SJHS school website as explained above.*

**STEP 2:** Complete the top portion of the Grade 10 Student Information Sheet by inputting your Last Name, First Name, Homeroom and selecting your school.

**STEP 3:** On the Grade 10 Student Information Sheet, choose ONE option in the PHYSICAL EDUCATION/BALL ACADEMY section by placing an "X" in one of the boxes in that section. Write this choice in the appropriate blocks on the Grade 10 Course Request Planning Sheet. (NOTE: Baseball Academy is a year long 10-credit course and must fill one 5 credit block each semester on the timetable. The tuition for this program is \$3000 per year and if you are interested in this program, contact the office at St. Joseph High School for more information).

**STEP 4:** On the Grade 10 Student Information Sheet, a "✓" has been placed next to "Religion 15 at SJHS" because this is a required course selection. This choice has already been written in the appropriate box on the Grade 10 Course Request Planning Sheet.

**STEP 5:** Students with high academic standing may select one 20-level core course to take in Grade 10. On the Grade 10 Student Information Sheet (if applicable), select a 20-level course you would like to take in Grade 10. Write this choice in the appropriate blocks on the Grade 10 Course Request Planning Sheet. \*Note: This is optional.\*

**STEP 6:** Select courses from the EXPLORATORY OPTIONS section on the Grade 10 Exploratory Options sheet and write them into the timetable on the Grade 10 Course Request Planning Sheet. Make sure your timetable is full! Pay attention and properly input 3-Credit courses and 5-Credit courses. These are indicated by a "-3" or "-5" in the course name. If you select a Block 0 class, also indicate this on the timetable.

**STEP 7:** On the Grade 10 Exploratory Options sheet, place an "X" in the space for the courses you placed in your timetable on the Grade 10 Course Request Planning Sheet.

**STEP 8:** On the Grade 10 Exploratory Options sheet, write an "A" in the space for your alternate choices for option classes. ALL students need to choose five alternate courses from the Fine Arts / CTS / Second Languages / Locally Developed Course categories.

**STEP 9:** Access the Dual Credit / St.Gabriel Online School Information Sheet and if you are interested in participating in a DUAL Credit course, you may select the courses that interest you. These courses are optional and do not count as regular course selections. If you chose to select one or more of these courses, do not put them into your 4 block timetable on your planning sheet. However, choose them if you are interested in pursuing them. These are college level courses and you will be required to qualify for them based on your grade 9 marks. The qualification meetings will take place in September of your grade 10 year once you arrive at St. Joseph High School.

**STEP 10 - OPTIONAL:** Access the Dual Credit / St.Gabriel Online School Information Sheet and if you are planning on taking an online course in the summer, please refer to the information listed on this page. Only write the course that you are taking in Summer School with St.Gabriel's in the chart on this page if you are 100% confident that you will be taking it this summer. You do not need to write anything on this chart if you are not choosing to take any online courses at St.Gabriel's Online School this summer.

Grade 10 Student Information Sheet / Exploratory Option Selection Sheet  
2020-2021

St. Joseph High School

SCHOOL: ☐ St. Thomas ☐ St. Patrick's ☐ Ecole Mother Teresa
